# 1969 TOUR MANUAL

# USA

The following is a listing of over 200 VISIT USA package tours produced by American travel industry organizations. The Tour Manual does not presume to feature a complete listing of all domestic tours available in the United States.

U.S. DEPARTMENT OF COMMERCE  
UNITED STATES TRAVEL SERVICE

## How to use this manual. . . .

Individual tours are listed alphabetically by the city from which the tour departs. Where there is more than one tour starting from a particular city, the tours are arranged in the following manner: Escorted Circle; Independent Circle, Escorted One-Way and Independent One-Way. Within these categories the tours are arranged by number of nights duration.

For each tour the following headings are given:

<i>Visiting:</i>	(General destination area)
<i>Type:</i>	(Escorted, Independent, Circle, etc.)
<i>Operator:</i>	(Name only. Addresses on page 157.)
<i>Tour Number:</i>	(Tour Operator's designation, not necessarily an IATA or ATA tour registration.)
<i>Services Included:</i>	(Meals, transfers, etc.)
<i>Dates of Departure:</i>	
<i>Itinerary:</i>	(The name of each city visited on a tour is seen in dark type.)
<i>Prices per Person:</i>	

There are eight indexes to assist you in locating a particular tour. All tours are listed alphabetically by departure city *except* for City Packages, which are listed alphabetically by tour operator name. Index page xiii lists city packages alphabetically by city.

1. Inter-city escorted and independent tours listed by starting city.
2. Inter-city escorted and independent tours listed by areas featured.
3. National park tours and packages.
4. Ranch Vacations.
5. Rental car tours.
6. Special Events packages.
7. Student tours.
8. City packages.

## BOOKING INFORMATION:

All tour operators that have tours listed in the book are listed in alphabetical order on page 157 with their complete addresses. Beside each operator's name you will find information on their overseas offices representatives, and in some cases carriers who have individual booking arrangements with the operator. A further list appears on page 162 of U.S. Tour Operators who specialize in arranging study tours or other group movements.
